Dear Dr Rojas

Thank you for your letters of October 6 and 17, 1983. I apologize for not answering you promptly but I was travelling most of November and the situation in your country started to change finally.

Unfortunately the way ICSU functions is slow. The Executive Board met in January to discuss our request to react. In view of the changed situation in Argentina they decided to require more recent information about the cases.

Could you let me know what has happened recently there and if you know anything new about these following cases: Alfredo Antonio Giorgi, Daniel Eduardo Bendersky, Graciela Mabel Barroca, Oscar Eduardo Segal, Federico Eduardo Alvarez Rojas, Hilda Leikis de Alvarez Rojas, Gerardo Strejilevich and Julia Natividad Huarque.

I am sorry that our Committee does not seem to be of much help to you but we'll try to pursue this matter further.

Sincerely yours

Pirjo Pietinen
