Dear Dr. Rojas

Thank you for your letter of April 24. In spite of several efforts I have not been able to find out where the interview of Mrs. Hebe Bonafini has been. However, I met her in person last month in New York while I was attending a AAAS workshop on human rights. She is wonderful!

Enclosed you will find a copy of the letter sent to your President by ICSU. For some reason Dr. Ernster evidently did not send the list of people referred to us as an appendix as we wished him to do. You can publicize the letter in any way you wish.

I hope that things are finally getting better.

Sincerely yours

Pirjo Pietinen
