

COMMITTEE ON THE SAFEGUARD OF THE PURSUIT OF SCIENCE
International Council of Scientific Unions

FE Alvarez Rojas Sr.
Av Las Heras 3660 (13-B)

ARGENTINA

July 7, 1983

The Standing Committee on the Safeguard of the Pursuit of Science decided at its annual meeting in Paris on June 14-15 to include the case of **Frederico Alvarez Rojas and Hilda Leikis** in its Register.

The Committee also decided to ask the ICSU Executive Board to make a public statement concerning disappeared Argentinian scientists.

Let us hope that these actions which are the only ones that the Committee can do will add to the growing pressure on the authorities.

Sincerely yours

Pirjo Pietinen
